

WANT TO LEARN ABOUT NUCLEAR SAFETY AND
ARMS CONTROL?

**TAKE PART IN OUR VIDEO COMPETITION
AND WIN A TRIP TO VIENNA!**

THE ATOMIC LEGACY 2024

**ENERGY, DETERRENCE, NON-
PROLIFERATION, DISARMAMENT**

The **Konrad Adenauer Foundation Vienna**, together with **Atomic Reporters**, are inviting you to take part in the third edition of our three-day **Study Programme** in Vienna from **July 2nd to 6th 2024!**

Receive essential knowledge about nuclear weapons, energy, non-proliferation, and disarmament in a nuclear-armed world with an outlook into the future in a lively group setting!

Under the guidance of renowned professionals, researchers, and international officials, you will acquire **expertise** in:

- current nuclear issues and risks
- basic concepts and notions in the nuclear realm
- the history of nuclear armament and disarmament
- the history and role of the nuclear energy industry
- core relevant international documents
- legal background

Additionally, you will participate in technical visits to **international organisations** in Vienna!

Eligibility:

- you are a beginner, young professional or university student, interested in the nuclear field
- you have a journalistic, diplomatic, analytical, research, engineering, technical or other relevant background
- you are ready to actively participate in discussions
- you are 35 or younger

Application:

- complete & submit the **application form** by **28. April 2024**
- attach your most recent CV (maximum 2 pages)
- upload a short video (1-2 min maximum)

Other relevant information:

- expenses (travel, accommodation, meals) will be covered by the organisers
- certificates will be awarded
- the organisers will support subsequent alumni activities

We are looking forward to receiving your application!
